

# BURWARTON SHOW

## ANNUAL MEMBERSHIP SUBSCRIPTIONS

## CHANGES TO BDAS MEMBERSHIP SUBSCRIPTION PROCESS

The Committee and Show Management have approved a complete review of the Membership process for Burwarton Show. The rationale for such a review is as follows:

- To save cost while still providing a Premium service
- To save time during the application administration and process system
- To negate the need for several mailings for each Show
- To improve the Member experience on Show Day

To that end, starting this year, all Members will be issued with a personalised Membership card with Membership number and QR code. All adult Members will need to complete the name of the holder; Junior and Child Members will need to provide name and date of birth, so they can be updated as they reach the next category.

When you arrive at the Show, please go to the Members entrance booths at each Gate. Your card will be scanned to verify your Membership. You will also be able to collect a Show branded lanyard or a lapel clip. Your card will also be scanned at the entrance to the Members Pavilion.

### PLEASE KEEP YOUR MEMBERSHIP CARD IN A SAFE PLACE

When you renew your Membership for 2026, your QR code will be reactivated and your Membership card will grant entry to the 2026 Show and the Members Pavilion. If you misplace your Membership card, there will be a £5 replacement charge. Membership cards cannot be replaced on Show Day; please check well in advance of the Show.

In order to better manage the Membership card process, there will be just three categories:

\* **ADULT**

\* **JUNIOR (12-16yrs)**

\* **CHILD (5-11yrs)**

Please see the application form for the 2025 Membership fees.
